

August 2010

Olde Thyme Fayre

It will be Sept. 11th & 12th before we know it! Planning for the Olde Thyme Fayre started some time ago, and we hope that many of you are also planning...knitting, crocheting, embroidering, quilting, or creating in some other way with plans to enter your work for judging at the Museum. And, for all of you with gardens, we hope you are looking for prize specimens to bring to the Barn.

Handcrafted items may be dropped off at the Museum on Friday evening only, from 3:00 to 7:00. Produce and flowers may be brought to the Barn on Friday from 5:00 - 7:00 and on Saturday from 8AM to 10AM.

There will again be vendors in the parking area behind the Barn and an Amish bakery and items sold by the "Knitwitters" inside the Barn. Old-fashioned music on Saturday will be courtesy of the "Gitter Pickers". There will be numerous craft opportunities for children.

New this year will be a water balloon toss on Sunday and an apple pie baking contest, also on Sunday. Pies must be dropped off before 2:30 PM on Sunday. Judging will be provided by Susan and Betsy Geul, professional pastry chefs who are the twin daughters of Marcella and Ray Diersing.

July Ice Cream Social

The third annual ice cream social was once again a great hit, with over 100 people enjoying the day at the Barn and Museum. Thanks to those who made the event very special: Our musicians, Caitlin Van Valkenburgh (who played a mountain dulcimer) and Rob and Deb Davenport (playing the guitar and dulcimer) and the generous people at the Twinsburg Dairy Queen, who donated all of the ice cream, toppings, and spoons. We actually ran a little short on the ice cream but promise to have enough next year.

Hours are 10 to 5 on Saturday and 1 to 4 on Sunday.

Two Friends

We lost two good friends last month – Bob Culhan and Elsie Peel. Bob was an early member and former Trustee who contributed in many ways. He was instrumental in beginning the morning craft groups at the Historical Society and helped many people learn how to weave, cane, and hook rugs. He was an interested and patient teacher and often took pictures of people and their accomplishments. He was also our resident musician; playing the piano at Christmas parties and at times, just to entertain the Tuesday morning group!

Elsie's art abilities were apparent in many areas. One of her more unique contributions was her painting of the Corbett barn on a piece of slate from the Barn roof. This was given to the Corbetts by the Historical Society when they moved. Some of her lovely, original Twinsburg Christmas cards are still available at the Historical Society.

Items Needed for the Museum

It never hurts to ask! Last month's Newsletter included a request for a paper cutter and a pop up tent. Our thanks to Kelsor Billings and his daughter for the *new* paper cutter!
